I MBBS 2019-2020

Mentor's Report on online SMP & PTM

The I phase mentors conducted the online Parent Teachers Meeting and Mentorship program for I MBBS 2019-2020 batch on 18/07/20 as per the directions by the institute.

The parents, students and teachers welcomed the meeting and stated that it was a very good initiation done by the institute to provide academic support during the lockdown period.

The mentors report says that 46% of the students opined that online teaching program and the classes were excellent. 51% of students perceived that it was good. 3% of students felt it is average. 66% of students stated that the online assessment was good and 29% of students opined that online assessment was excellent & 5% felt it was average. 48% of parents opined that online classes were good and 52% felt that it was excellent. 70% of the parents stated that online assessment was and remaining stated that it was excellent.

98% parents assured that the students were attending the online classes and after class hours their wards utilized the online resource material provided by the institution.

Few students requested to provide extra time to submit the assignments due to net connectivity issues. The students welcomed the conduct of revision exams and they opined that are exams useful. Parents were satisfied with the online classes. Few parents requested to conduct more such meetings in future.

Over all the mentorship and parent teacher meeting was conducted with 100 students on the scheduled day. The suggestions provided by the students & parents will be considered and the institution will take necessary steps to improve the mentorship program and parent teacher meeting.
